## POSITIVE PROFIT ALERT

This announcement is made by the Company pursuant to Rule 13.09 of the Listing Rules and the Inside Information Provisions under Part XIVA of the SFO.

The Board wishes to inform the Shareholders and potential investors of the Company that, based on the preliminary review of the unaudited consolidated management accounts of the Group, revenue and profit of the Group for the Interim Period are expected to increase by approximately 100% and 50% respectively as compared to that for the corresponding period in 2014.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.**

This announcement is made by Kingbo Strike Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the “**SFO**”).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that, based on the preliminary review by the Board of the unaudited consolidated management accounts of the Group, revenue and profit of the Group for the six months ended 31 December 2015 (the “**Interim Period**”) are expected to increase by approximately 100% and 50% respectively as compared to that for the corresponding period in 2014. The Board believes that the expected increase in profit was primarily attributable to:-

- (a) an upsurge of approximately 100% in revenue generated by the Group and an increase of approximately 80% in share of results of joint ventures as a result of more projects with significant percentage of completion being recognised during the Interim Period; and

\* For identification purpose only

- (b) depreciation of Singapore dollars against Hong Kong dollars resulting in a significant increase in non-cash foreign exchange gain generated from the translation of the Hong Kong dollars bank deposits at the closing of the Interim Period.

The Board wishes to emphasise that the information contained in this announcement is based on the preliminary review by the Board of the unaudited consolidated management accounts of the Group which have not been finalised. Details of the interim results of the Group for the Interim Period will be announced on and before 29 February 2016.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.**
